THE CERTIFICATE IS PROUDLY PRESENTED TO

## *Diven Perwira Sentosa*

for successfully completing the

**Artificial Intelligence for Data-Driven Urban Planning**

Organized by **KORIKA**
This program is part of the **AI Opportunity Fund: Asia Pacific**, in collaboration with AVPN and supported by Google.org and the Asian Development Bank

This training, with a total duration of **19.5 hours (1170 minutes)**, provided participants with a comprehensive understanding of Artificial Intelligence. The curriculum covered the core concepts of Fundamental AI, Generative AI, and Responsible AI. Participants are equipped with essential knowledge and skills to develop and apply AI solutions ethically, transparently, and effectively in real-world contexts.

Credential ID: KKVNV2UHLBNV

Jakarta, 23 May 2026

**Dr. Arie Wahyu Wijayanto**
